DECLARATION OF MICHAEL RESHETNIK UNDER 37 C.F.R. § 1.68

Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

Michael Reshetnik declares as follows:

1. I am an inventor of the subject matter of the above-identified patent application.
2. In my capacity as an employee of Paneltec Corporation, a contractor for Sandia National Laboratories (employer of my co-inventors), I contributed to the subject matter of the publication Richard B. Diver and James W. Grossman, "Sandwich Construction Solar Structural Facets", 1999 ASME International Solar Energy Conference (April 11-14, 1999). However, I was not made an author of the publication, not being an employee of Sandia National Laboratories and not contributing to the actual writing of the paper.

PATENT Ser. No. 09/543,622

2. I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the above-referenced application or any patent issuing thereon.

Date:
